Attendance

Well done to Year 5 on being the highest year group, achieving 100% Attendance (week beginning 6th May 2024)!

Congratulations to Masie O'Conail who was presented with the Kindness Cup. She was recognised for always being kind to everyone.

This has been a busy week, particularly for our amazing Year 6 children who were sitting their SATs this week. Every Year 6 pupil tried their absolute best - none of us can ask for more than that! I have already shared a huge THANKYOU to all the other children in the school, who have been super respectful this week, making sure they were quiet and calm whilst the Year 6's were busy. Baynards children really are wonderful!

Message from the Headteacher

We are all looking forward to swimming, which starts up again after half term. If you have not already paid for the swimming sessions, we would appreciate it if you could do so before the end of next week - thank you 😊.

Many thanks to everyone for their support in making sure the playground is bike and scooter free - it is making it feel much safer for all. If parents could also ensure they are parking away from the restricted zones outside the school we would all be grateful. Let's work together to keep everyone, particularly the children safe. Have a lovely weekend everyone - Judith Dale 😊

Could we ask everyone to please check at home for any school reading books as we appear to have lots missing - thank you!

Thank you to Tiptree Building Supplies for their kind donation of guttering and brackets to the PTA to enable completion of the Class 1 water wall.

The latest issue of Kid Around is now available which has lots of activities and ideas of what you could do with the children during half term and the summer holidays.
