20th December 2024

We had a wonderful celebration assembly this morning with so many certificates awarded in recognition of hard work and great attendance. **Ruby** were the overall team point winners for the term, but it was very close with only 20 points between first and fourth place. It's all to play for again next term ❤️💛💚💜! Year 1 had the best attendance for the year which was an impressive 97% and earned themselves an additional 10 minutes playtime which they really enjoyed. It has been a very busy term, and I know everyone is looking forward to a well-deserved break. I hope you all have a fantastic Christmas and have the opportunity to spend time with your nearest and dearest. I look forward to seeing you all on January 6th 2025. Take care everyone - Judith Dale 😊

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that we can help children feel better and get back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over

A summary of the service is available as an [animation](#) and more information can also be found at [nhs.uk/thinkpharmacyfirst](https://www.nhs.uk/thinkpharmacyfirst) as well as at <https://www.boots.com/healthhub/a-z-services/pharmacy-first>.
