**This week's Gold Book entries were: Kamell Saied, Kaja Radomska, Ginny Davies, Rosalie Denny, Oscar Johnston, Daniel Chedom-Fotso, Leo Davies, Molly Heather, Grace Constable, Henry Bird, Alba Passway, Emilia Harper, Jessica Chaplin, Austin Poulson, & Maggie Cheung - well done!!**

**Attendance**  
**Well done to Year 3 on being the highest year group, achieving 99% Attendance (week beginning 7<sup>th</sup> October 2024)!**

**Congratulations to Kitty Le Marquand who was presented with the Kindness Cup. She was recognised for always being very kind.**

It was lovely to see so many of you at St Luke's Church this week for our Harvest Festival celebration. As always, the children worked really hard to learn all the songs and poems and created seasonal art work to share. Tiptree Foodbank were delighted to receive all the food donations, which weighed in at 95.8kg! Thank you so much for your generosity which will help families in need in the local area.

*Message from the Headteacher*

Class 4 kicked off our year of fundraising this week, raising an impressive £170 through their cake sale. We have more fundraising next week with Class 3 hosting a Talent Show on Wednesday and Class 2 organising a non-uniform day on Friday. The children are desperate to raise enough to pay a good chunk of the cost of a coach for each class to have a trip. The coaches are costing £800-£900 each and the children have a range of wonderful and whacky fundraising ideas for the year. Thanks for your ongoing support.

Please also remember the PTA disco on Thursday - tickets are selling like hotcakes! I hope you all have a wonderful weekend and look forward to seeing you on Monday - Judith Dale 😊

**THANK YOU!**

**A HUGE THANK YOU TO THE PTA WHO HAVE RECENTLY FUNDED RESOURCES FOR THE CHILDREN**

**Grapes, Cherry Tomatoes, Olives, Silverskin Onions and other similar sized products carry a risk of causing choking.**

In November 2015, Essex County Council raised an alert. This was after the death of a toddler, choking on a grape in North East England.

Corporate Health & Safety and the Schools Meals Service have provided advice on this.

- Incidents of this nature are very rare and so the risks in relation to this issue are low.
- For schools it is about managing risks and teaching pupils about risks and how they manage them.
- There are likely to be quite wide-ranging views on whether this advice is 'over the top'.
- Young children/toddlers are the most likely to be 'at risk'.
- Grapes, cherry tomatoes, olives and silverskin onions are particularly an issue. This is due to them being small, easy to swallow, can be soft and change shape.
- They are easy to swallow whole and the right size to completely block the airway.

Bearing in mind the information above, could we please ask that any grapes or cherry tomatoes in lunch boxes be cut in half lengthways. Thank you.
